PROFESSIONAL SUMMARY

A self-motivated creative with ample experience across all stages of media production from managing projects and collaborating with diverse teams. A confident decision maker who is comfortable under pressure, seeking to leverage strong organizational and problem-solving skills in various roles.

EXPERIENCE

Video Editor / Post-Production Coordinator

Bottled Media - Burlington, ON
03/2019 - 03/2024

- Collaborated on various projects for notable clients, including:
 - **Save the Children:** Edited a series of impactful promotional videos that highlighted ongoing initiatives, resulting in increased awareness and donations
 - **Bruce Trail Conservancy:** Produced short informational videos showcasing trail maintenance activities, enhancing public understanding of conservation challenges
 - **Town of Oakville:** Developed video content for social media channels including a short documentary highlighting the city's Indigenous history, improving citizen awareness and access to important resources
- Assisted on developing motion graphics and other visual effects for advertisements, corporate videos, social media posts, and sizzle reels
- Managed a team of editors on a wide array of projects to produce a large volume of videos under tight deadlines, resulting in an increase in client satisfaction

Assistant Editor Intern

Heads Up Daily - Mississauga, ON
03/2018 - 05/2018

- Assisted package editors with uploading, assembly, and delivery of show segments
- Created background graphics for the show using Photoshop and After Effects
- Supported digital asset management, enhancing the efficiency of the post-production workflow
- Coordinated data transfers and maintained network storage updates to ensure project integrity
